The New Oxford Picture Dictionary contextually illustrates over 2,400 words. The book is a unique language learning tool for students of English. It provides students with a glance at American lifestyle, as well as a compendium of useful vocabulary.

The *Dictionary* is organized thematically, beginning with topics that are most useful for the "survival" needs of students in an English-speaking country. The topics move on to those of a more general nature, including those that might be used in content area classes in schools in the United States. However, pages may be used at random, depending on the students' particular needs. The book need not be taught in order.

The words depicted are those most useful for students needing basic English skills. The most common name of any given item was used for simplicity. Any regionalisms or variations will be found in the *Teacher's Guide* for that particular page.

The New Oxford Picture Dictionary contextualizes vocabulary whenever possible, thus making the language learner's task a bit easier. Verbs have been included on separate pages, but within a topic area where they are most likely to occur. However, this does not imply that these verbs only appear within these contexts.

For obvious reasons, the number of words per page has been limited. In addition, attempts have been made to place the numbers on the art consecutively, either from left to right, or, on many contextualized pages, in a circular, clockwise order.

A complete index with pronunciation guide has been included in the Appendix. For further ideas on using *The New Oxford Picture Dictionary*, see the *Teacher's Guide* and the two workbooks: *Beginner's* and *Intermediate* levels.

Also available in the program are a complete set of *Cassettes*, offering a reading of all of the words in the *Dictionary*; *Vocabulary Playing Cards*, featuring 40 words and the corresponding pictures on 80 cards with ideas for many games; and sets of *Wall Charts*, available in one complete package, or in three smaller packages.

 - 26. coins
 - 27. penny
 - 28. nickel
 - 29. dime
 - 30. quarter

A detailed illustration of a grocery store interior. The store is filled with various products on shelves and counters. In the background, there is a deli counter with a sign that says "DELI". A man in a pink shirt is working behind the counter, and a woman in a white apron is also visible. A customer in a yellow sweater is standing at the counter. To the left, a shopping cart is filled with items. In the center, a woman in a pink shirt is standing next to a long shelf stocked with various canned goods and boxes. She is holding a red basket. A man in a brown shirt is standing next to her, also holding a red basket. In the foreground, a man in an orange sweater is standing next to a long shelf stocked with fresh produce, including bananas, apples, and oranges. He is holding a red basket. On the right side, there are shelves stocked with bottled beverages, including sodas and juices. A woman in a purple shirt is standing behind a counter in the background. The store has a yellow and blue striped awning over the entrance. A clock is visible on the left side of the store. There are 14 numbered labels in the image: 1 points to the deli counter, 2 points to a shelf of canned goods, 3 points to a shelf of canned goods, 4 points to a shelf of canned goods, 5 points to a shelf of canned goods, 6 points to a shelf of canned goods, 7 points to a clock, 8 points to a red basket, 9 points to a shelf of fresh produce, 10 points to a shelf of fresh produce, 11 points to a shelf of canned goods, 12 points to a shelf of canned goods, 13 points to a shelf of bottled beverages, and 14 points to a shelf of bottled beverages.

11. baked goods
12. bread
13. canned goods

Two numbers occur after words in the index: the first refers to the page where the word is illustrated and the second to the item number of the word on that page. For example, above [ə būv/] 102 2 means that the word *above* is the item numbered 2 on page 102. If only a bold number appears, then that word is part of the unit title or a subtitle.

The index includes a pronunciation guide for all the words illustrated in the book. This guide uses symbols commonly found in dictionaries for native speakers. These symbols, unlike those used in transcription systems such as the International Phonetic Alphabet, tend to preserve spelling and so should help you to become more aware of the connections between written English and spoken English.

Consonants

[b] as in back [bāk]	[k] as in kite [kīt]	[sh] as in shell [shēl]
[ch] as in cheek [chēk]	[l] as in leaf [lēf]	[t] as in tape [tāp]
[d] as in date [dāt]	[m] as in man [mān]	[th] as in three [thrē]
[dh] as in the [dh]	[n] as in neck [nēk]	[v] as in vine [vīn]
[f] as in face [fās]	[ng] as in ring [rīng]	[w] as in waist [wāst]
[g] as in gas [gās]	[p] as in pack [pāk]	[y] as in yam [yām]
[h] as in half [hāf]	[r] as in rake [rāk]	[z] as in zoo [zōō]
[j] as in jack [jāk]	[s] as in sand [sānd]	[zh] as in measure [mězh/ər]

Vowels

[ā] as in bake [bāk]	[ī] as in lime [līm]	[ōō] as in cool [kōōl]
[ā] as in back [bāk]	[ī] as in lip [līp]	[ōō] as in book [bōōk]
[ä] as in bar [bār]	[ī] as in beer [bīr]	[ow] as in cow [kow]
[ē] as in beat [bēt]	[ō] as in post [pōst]	[oy] as in boy [boy]
[ē] as in bed [bēd]	[ō] as in box [bōks]	[ū] as in cut [kūt]
[ē] as in bear [bēr]	[ö] as in claw [klö] or for [för]	[ü] as in curb [kürb]
		[ə] as in above [ə būv/]

All pronunciation symbols used are alphabetical except for the schwa [ə], which is the most frequent vowel sound in English. If you use it appropriately in unstressed syllables, your pronunciation will sound more natural.

You should note that an umlaut (["̈"]) calls attention to the special quality of vowels before [r]. (The sound [ö] can also represent a vowel not followed by [r] as in *claw*.) You should listen carefully to native speakers to discover how these vowels actually sound.

Stress

This guide also follows the system for marking stress used in many dictionaries for native speakers.

- (1) Stress is not marked if a word consisting of a single syllable occurs in isolation.
- (2) Where stress is marked, two levels are distinguished:
 - a bold accent [/] is placed after each syllable with primary stress,
 - a light accent [/] is placed after each syllable with secondary stress.

Syllable Boundaries

Syllable boundaries are indicated by a single space.

NOTE: The pronunciation used in this index is based on patterns of American English. There has been no attempt to represent all of the varieties of American English. Students should listen to native speakers to hear how the language actually sounds in a particular region.

Pictures convey meaning more clearly than words alone. **The New Oxford Picture Dictionary** presents over 2,400 vocabulary words, clearly depicted on 102 pages of full-color, contextualized illustrations. Vocabulary is introduced within 82 topics, which range from such basics as food, clothing, and shelter to more specific topics such as the space program, occupations, and sports. An index includes all the vocabulary words with a clear, easy-to-follow pronunciation guide. The Dictionary can be used at all levels, by all ages, to teach all language skills. With the components, it provides a complete language development program. It's an invaluable resource every student and teacher needs to have.

The New Oxford Picture Dictionary contains over 2,400 words contextually presented in 102 beautifully illustrated pages. Available in paperback or hardcover.

Bilingual Editions (Spanish, Chinese, Vietnamese, Cambodian, Japanese, Korean, Navajo, Polish, Russian) present the second language in blue alongside the English word.

Wall Charts (100) feature 18" x 22" full-color reproductions of all the Dictionary pages, with vocabulary numbered on the front and listed on the back of each chart.

Overhead Transparencies (100) feature full-color transparencies of all the Dictionary pages for use on overhead projectors.

Vocabulary Playing Cards (80 laminated) include 40 color illustrations and corresponding Dictionary vocabulary, as well as a booklet of activity suggestions.

Cassettes (four C-60) feature a reading of all the Dictionary vocabulary.

Teacher's Guide, for beginning- through advanced-level students, offers introductory, language, and culture notes, as well as activity suggestions for use of the Dictionary in the class.

Beginner's Workbook, for students with no prior knowledge of English, provides extensive page-by-page practice with the vocabulary presented in the Dictionary.

Intermediate Workbook, for low- to high-intermediate level students, reinforces Dictionary vocabulary page-by-page, through written and oral practice.

Listening and Speaking Activity Book, for beginning-level ESL adults and young adults, is a teacher's resource containing more than 96 communicative activities—with reproducible activity sheets and picture cards—each one topically related to the Dictionary. A C-60 cassette is available separately.
